Surrey Bird Club

The Surrey Bird Club (SBC) was founded in 1957 and has the following objectives:

EDUCATION: To advance public education in the birds of the County and the Vice County of Surrey ("the County").

RESEARCH: To promote and, with others, participate in ornithological studies in the County.

CONSERVATION: To support and encourage the preservation and conservation of birds and places of ornithological interest in the County.

PUBLICATION: To publish an annual report about the birds of the Vice-County (the Surrey Bird Report), and from time to time, a book on the birds of the County.

Our **Recording Area** is the historic county of Surrey, which includes that part of the county up to the River Thames at Bermondsey now in Greater London, but excludes Spelthorne.

Join us by returning a completed application form to the Membership Secretary, together with the Gift Aid form if you possibly can.
